Report of Principal and School Improvement Council

In 2012-13, Kensington Elementary School's overarching theme "Sailing the High C's: Courage, Commitment, and Community" provided our staff, students, and stakeholders with a concerted effort in enhancing our practices and programs to increase staff and student achievement. Our voyage began with teachers touring the neighborhoods and communities we serve. This experience brought an awareness, understanding, and appreciation of the diversity that enters our school daily. From this we strengthened our personal and professional capacities and renewed our commitment to fulfilling the mission of helping all children. Kensington has a proud history of excellence. The staff and students work tirelessly to perform at their personal best in all facets of life. For the second consecutive year, the staff won the YMCA Summer Fitness Challenge. Principal Fedrick Cohens was named a finalist for District Administrator of the Year. Art teacher Nancy Jones Lowe was selected 2013-14 Teacher of the Year and School Nurse Tara Lewis was a finalist for District 2013-14 Support Staff of the Year. Mr. Danny Pittman was voted Volunteer of the Year. The commitment of staff to provide the best learning resources resulted in over \$25,000 in grants and services. Additional amenities were added to our campus to ensure that a safe and comfortable learning environment was available for staff, students, and stakeholders. The vibrant Parent Teacher Association afforded many of our grade levels with extra funds for field experiences while the sensational School Improvement Council focused on the wellness of students and staff through various school wellness initiatives. Several staff members won the district's health challenges.

Our school enjoys strong relationships with the families of our students and the communities we serve. Our students learn the value of service to our school and community through active participation in many service-oriented initiatives that are led by the Student Leadership Team and Kiwanis Kids Club. One noteworthy project was a bake sale that resulted in over \$1000 being raised and donated to victims of a wild fire that destroyed homes in the Carolina Forest community. Throughout the year, several students also began pen pals with residents of an assisted living home. And all students benefited from the First Tee initiative that afforded our students with fundamental skills in golfing while integrating character skills. Our 4th graders won 2nd place in the district in the First Annual First Tee Challenge. Students also have the opportunity to participate in many academic competitions throughout the school year. We consistently do well in our district's Academic Fair and Technology Fair. Opportunities for students to hone their artistic talents are also available through a gender-based art club and cultural performances throughout the year.

Our professional collaboration with district instructional coaches and colleagues, along with various staff members pursuing degrees or taking courses for instructional growth benefit all. We revere the value of collaboration and maintain a commitment to ongoing professional development and research into effective instructional practice. Our relationship with Coastal Carolina University and full implementation of the South Carolina Gateways Grant will empower and invigorate us in our plight to full implementation of differentiated instruction that will result in greater student achievement.

Kensington Elementary School is proudly continuing the tradition of educational excellence in academics, actions, and attitudes!

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/eSEA/> or request this information from your child's district or school.

Overall Weighted Points Total	90.6
Overall Grade Conversion	A

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the state's expectations

Accountability Indicator for Title I Schools

Kensington Elementary School school has been designated as a:

- ☐ Title I Reward School for Performance - among the highest performing Title I schools in a given year.
- ☐ Title I Reward School for Progress – one of the schools with substantial progress in student subgroups.
- ☐ Title I Focus School – one of the schools with the highest average performance gap between subgroups.
- ☐ Title I Priority School – one of the 5% lowest performing Title I schools.
- ☐ Title I School – does not qualify as Reward, Focus or Priority School.
- ☒ Non-Title I School – therefore the designations above are not applicable.
